### Opener/Break/Closer:

#### Circle left

\*Don't waste your time looking over your shoulder  
\*Those loves from the past ain't getting no closer  
Men star right go once around tonight  
Left allemande that corner weave that old ring  
Nobody but me gonna love you like you ought to be loved on  
Swing your girl around and then you promenade back home  
You can do what you want to  
But I'm asking pretty please, don't go lovin on nobody but me

### Figure:

Heads couples promenade go halfway round the ring now  
Walk in and pass the ocean – extend the tag  
Swing thru then spin the top for me – boys up  
right & left thru you turn the girl you see  
You flutterwheel and sweep a quarter more  
Swing that corner girl you promenade the floor  
You can do what you want to  
But I'm asking pretty please, don't go lovin on nobody but me

### Tag:

Swing  
Don't go lovin on nobody but me

\*I took my time to tell you how I feel  
\*Just because I took so long don't mean that it isn't real
