### Opener

Sides Face Grand Square

I bet you never heard Ol' Marshall Dillon say

Miss Kitty have you ever thought of running away

Settlin' down would you marry me – If I asked

Allemande & Weave

I should've been a cowboy – I should've learned to rope & ride

Singing those campfire songs – Yeah I should've been a cowboy

### Figure:

Heads (Sides) Promenade Halfway

Square thru 4 – Right & Left thru

Veer left – couples circulate

1/2 Tag – scoot back

Swing – Promenade

Singing those campfire songs - Yeah I should've been a cowboy

### Middle Break & Ending:

Side Face Grand Square

I should've been a cowboy, I should've learned to rope & ride

Wearin' my six shooter ridin' my pony on a cattle drive

Allemande & Weave

Stealin' those young girls hearts, just like Gene & Roy

Singin' those campfire songs – Yeah I should've been a cowboy

### Tag:

Yeah I should've been a cowboy

Yes, I should've been a cowboy
