Opener

Sides Face Grand Square

There's a little girl that rocks my world just outside of New Orleans
I used to be thinner, but she liked to cook dinner, and green eyes like you never seen
Allemande and weave
I drive a beat up truck, her daddy don't like me much, says I'm gonna ruin her life,
I'm out to prove him wrong and dedicate this song to the father of my future wife

Figure:

Heads (Sides) Square Thru you take them four now
Do a Dosido one time and then Swing thru tonight Spin the top and go
Boy move up and Right and Left Thru,
Flutter Wheel across Sweep a quarter and then
Swing that corner Promenade
She's beautiful and bold as the purple and gold, she's my little Cajun Queen

Middle Break:

Sides Face Grand Square
She makes a mean boudin, she's an LSU fan, she's a perfect woman for me
She loves alligator, she's a tailgater, she's a beaver if you know what I mean
Allemande and weave
She likes her beans 'n rice with a little brew of spice, she loves her Tony Chachere
She's beautiful and bold as the purple and gold, she's my little Cajun Queen

Closer:

Sides Face Grand Square
Her favorite time of year is a Mardi Gras, parades as far as the eye can see
And you auto hear her yell out throw me something mister, she sure is proud of those beads
Allemande and weave
But late at night when the moon is right, there's only one place I gotta be
In the arms of a girl from South Louisiana snuggling up with me
