ADDITIONAL LYRICS:

"I've Got A Rock 'N' Roll Heart"

I've got a feeling we could be serious, girl;
Right at this moment, I could promise you the world.
Before we go crazy, before we explode,
There's something 'bout me, baby, you got to know,
You got to know.

[Chorus:]

I get off on '57 Chevys;
I get off on screaming guitar.
Like the way it hits me every time it hits me.
I've got a rock and roll, I've got a rock and roll heart.

Feels like we're falling into the arms of the night,
So if you're not ready, don't be holdin' me so tight.
I guess there's nothing left for me to explain;
Here's what you're gettin' and I don't want to change,
I don't want to change.

[Chorus]

I don't need to glitter, no Hollywood,
All you got to do is lay it down and you lay it down good.
