

SG 1025

“Simple”

Opener:

Circle Left

*The way your fingers fit in mine

*Its 5 plus 5, not rocket science

*This day in time it's hard to find it's true

The men star by the right and go one time around

Left allemande your corner, weave the ring

it's like one, two, three

just as easy as can be

*swing your lady promenade

it's just that simple S.I.M.P.L.E.

simple as can be

it's just that simple S.I.M.P.L.E.

simple as can be

Figure:

The Heads (Sides) promenade

and go half way around the ring

come down the middle square through go four

go all the way around do a right and left through

veer left and couples circulate

half tag, scoot back, that corner lady swing

swing the lady around and promenade her

it's just that simple S.I.M.P.L.E.

simple as can be

it's just that simple S.I.M.P.L.E.

simple as can be

Middle Break/Ending:

All four ladies chain across turn and chain them home

join hands circle left, allemande left and weave the ring

it's like one, two, three

just as easy as can be

swing your lady promenade

it's just that simple S.I.M.P.L.E.

simple as can be

it's just that simple S.I.M.P.L.E.
