“DREAMS OF DESIREE”

Opener:

Sides Face Grand Square
Wide awake staring at a Tennessee moon
The rain drops beating on the old tin roof
Takes my mind back to an early spring
Allemande left and weave the ring
You and me swimming down in Sawyers Hole
Do si do the lady there promenade her home
Ohoo ohoo those dreams of Desiree

Figure:

Heads / [Sides] square thru and go 4 hands around
The corner lady there you'll do do si do
Spin chain thru
girls circulate twice you know
you turn thru
left allemande you walk by one
Swing the next girl round
and Promenade on home
Ohoo ohoo those dreams of Desiree

Middle Break & Close:

Sides Face Grand Square
Desiree... Oh - Desiree
Oh those dreams of Desiree
Allemande left and weave the ring
Desiree...Oh - Desiree
Ohoo ohoo those dreams of Desiree

TAG

Chain those ladies over and back
Ohoo ohoo those dreams of Desiree
