## “Diesel On My Tail”

### Opener:

4 ladies promenade inside the ring,  
Run back home and give that man a swing.  
Join up your hands and circle left around  
Allemande left and weave the ring  
There’s a diesel on my tail makin 90 miles an hour,  
Swing your girl and Promenade  
I can hear St. Peter callin, I can almost smell the flowers,  
Can this compact take the impact, there’s a diesel on my tail.

### Figure (Twice for Heads, Twice for Sides)

Heads (Sides) Square thru 4 hands around you go  
4 hands and then a right and left thru,  
Veer left, couples circulate, chain down the line  
Star thru, pass thru, trade by,  
Swing the corner and promenade.  
I can hear St. Peter callin, I can almost smell the flowers,  
Can this compact take the impact, there’s a diesel on my tail.

Tag: Take the impact, there’s a diesel on my tail.
