“Heartache on the Dance Floor”

Opener:

Circle Left

I was just hanging out in some little west coast town
Found a bar out by the sand, so I made my way in
Men star right - one time tonight
Left Allemande and you weave
She was a heartache on the dance floor (heartache on the dance floor)
She movin' through my mind (Movin' through my mind)
I gotta know her name and I gotta see her again
She's got me wondering, where she's at?

Figure:

Heads (Sides) you square thru 4 hands around
When you meet your corner - Touch $\frac{1}{4}$ now
Scoot back and then - Cast off $\frac{3}{4}$
Boys trade – Boys run – you Ferriswheel
Those Centers veer to the left - veer to the right
Everybody veer to the right – Boys trade
Take her by the hand and all promenade
I gotta know her name and I gotta see her again
She's got me wondering, where she's at?

Middle break:

My little mystery, that girl is killing me
So I put on a song just to sing along

Close:

I'm right here right now Humming this little song
If I could say a thing I'd want you to know
