“Good Morning”

Opener – Middle Break

Sides Face Grande Square

Wave away my yesterday

Cause I'm leaving it behind me.

Hello sunshine, come what may.

I feel something new - Allemande Left & Weave

(Good morning) Wake up to a brand new day

(This morning) I'm stepping, I'm stepping, stepping on my way

(Good morning) you give me strength,

You give me just what I need

And I can feel the hope that's rising in me.

Figure:

Heads (Sides) you promenade half round you go

Walk in and Square Thru 4

Go all the way and Swing thru and then

Boys run right, ferriswheel on in

Those centers square thru go it's three hands you know

Swing that corner and promenade her back home

You give me strength,

You give me just what I need

And I can feel the hope that's rising in me

Close:

Sides Face Grand Square

Now I'm smiling, and I'm kissing all my worries goodbye

Got the feeling, if I spread my wings I might even fly

You are my truth, my way

Give me the strength to say

Get up, get up – Allemande left and weave

(good morning) Wake up to a brand new day

I'm stepping, I'm stepping, stepping on my way

You give me strength,

You give me just what I need

And I can feel the hope that's rising in me.
