

SG 232

“Look What God Gave Her”

Opener – Middle Break - Ending

Four ladies chain and now you turn with your girl
You roll-a-way you circle left around that world
Four ladies roll-a-way you circle again
Left allemande and now you weave that ring
Look what God Gave her.
She walks in the room, it's like he answered my prayers
The way that she moves, how can anybody blame her
It ain't her fault, look what God gave her

Figure:

Heads (Sides) you promenade and travel go half round
You lead to the right do si do the one you found
Swing thru – Boys run right
You bend the line - Right & Left Thru you turn in time
You touch a $\frac{1}{4}$ - you circulate one time
boys run right - Swing that corner - promenade
The way that she moves, how can anybody blame her
It ain't her fault, look what God gave her
