## **“5 Foot 9”**

(Tyler Hubbard)

### **Open-Middle Break-Ending**

Circle Left

\*Jack makes good whiskey

\*\*Red dirt makes good riding roads

men star right – one time tonight

Allemande left and weave

God makes

5 foot 9, brown eyes in a sundress

Loves Tim McGraw and a small-town accent

Ain't no way that me and this truck made her fall in love

Jack makes good whiskey

But God makes the good stuff

### **Figure:**

Heads (Sides) Square thru

Around your corner Dosado

Swing thru tonight – boys run right

Bend the line do the right & left thru

Flutter wheel and slide thru

Swing your corner promenade

Ain't no way that me and this truck made her fall in love

Jack makes good whiskey

But God makes the good stuff

\* Like that sweet little kiss she lays on me

\*\*When I pull up in the gravel drive
